

[2020-02-13 17:41:08.348884] I [MSGID: 114020] [client.c:2436:notify] 0-gv01-client-1: parent translators are ready, attempting connect on transport
[2020-02-13 17:41:08.349212] E [MSGID: 114058] [client-handshake.c:1456:client_query_portmap_cbk] 0-gv01-client-0: failed to get the port number for remote subvolume. Please run 'gluster volume status' on server to see if brick process is running.
[2020-02-13 17:41:08.349241] I [socket.c:864:__socket_shutdown] 0-gv01-client-0: intentional socket shutdown(12)
[2020-02-13 17:41:08.349255] I [MSGID: 114018] [client.c:2347:client_rpc_notify] 0-gv01-client-0: disconnected from gv01-client-0. Client process will keep trying to connect to glusterd until brick's port is available
[2020-02-13 17:41:08.349265] E [MSGID: 108006] [afr-common.c:5358:__afr_handle_child_down_event] 0-gv01-replicate-0: All subvolumes are down. Going offline until at least one of them comes back up.
[2020-02-13 17:41:08.349368] E [MSGID: 101172] [events.c:89:_gf_event] 0-gv01-replicate-0: inet_pton failed with return code 0 [Invalid argument]

[2020-02-13 17:41:09.290640] I [rpc-clnt.c:1963:rpc_clnt_reconfig] 0-gv01-client-1: changing port to 49152 (from 0)
[2020-02-13 17:41:09.290705] I [socket.c:864:__socket_shutdown] 0-gv01-client-1: intentional socket shutdown(12)
[2020-02-13 17:41:09.296578] I [MSGID: 114057] [client-handshake.c:1376:select_server_supported_programs] 0-gv01-client-1: Using Program GlusterFS 4.x v1, Num (1298437), Version (400)
[2020-02-13 17:41:09.297075] I [MSGID: 114046] [client-handshake.c:1106:client_setvolume_cbk] 0-gv01-client-1: Connected to gv01-client-1, attached to remote volume '/bricks/0/gv0'.
[2020-02-13 17:41:09.297090] I [MSGID: 108005] [afr-common.c:5281:__afr_handle_child_up_event] 0-gv01-replicate-0: Subvolume 'gv01-client-1' came back up; going online.
[2020-02-13 17:41:09.297197] E [MSGID: 101172] [events.c:89:_gf_event] 0-gv01-replicate-0: inet_pton failed with return code 0 [Invalid argument]
[2020-02-13 17:41:09.320644] I [MSGID: 100041] [glusterfsd-mgmt.c:1111:glusterfs_handle_svc_attach] 0-glusterfs: received attach request for volfile-id=shd/gv01
[2020-02-13 17:41:09.320696] I [MSGID: 100040] [glusterfsd-mgmt.c:106:mgmt_process_volfile] 0-glusterfs: No change in volfile, continuing
